

## QUALITY POLICY

CU GULF FZE is committed to providing reliable and professional **inspection and certification services** that ensure the safety, reliability, and sustainability of supply chains.

We conduct all our activities with **integrity, independence, impartiality, and confidentiality**, ensuring that inspection services are performed objectively and without undue influence.

CU GULF FZE ensures that all personnel involved in inspection activities are **competent, qualified, and appropriately trained**, and that our technical capabilities are continuously enhanced to meet the evolving needs of our clients and industries.

We are committed to **complying with applicable statutory, regulatory, and accreditation requirements**, including ISO/IEC 17020, and other relevant international standards.

Through **effective risk management, transparency, teamwork, and innovation**, we aim to deliver reliable and value-added services to our clients.

CU GULF FZE is committed to the **continual improvement of our management systems, processes, and services**, while promoting **health, safety, and sustainable business practices**.

This Quality Policy provides the framework for establishing and reviewing **organizational objectives** and is communicated to all employees and relevant interested parties.

**Top Management is committed to implementing, maintaining, and continually improving this policy across all operations of CU GULF FZE.**
